INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

(c) IACUC Functions. With respect to activities involving animals, the IACUC, as an agent of the research facility, shall:

(1) Review, at least once every six months, the research facility's program for humane care and use of animals, using title 9, chapter 1, subchapter A--Animal Welfare, as a basis for evaluation;

The last IACUC meeting was held on November 8, 2005. The IACUC must conduct semiannual reviews of the program for the humane care and use of the animals, but this has not been done within the last 12 months. A meeting has already been scheduled for this month. The IACUC must maintain regularly scheduled meetings and evaluations that occur no less than once every six months. To be corrected by December 22, 2006.

(2) Inspect, at least once every six months, all of the research facility's animal facilities, including animal study areas, using title 9, chapter 1, subchapter A--Animal Welfare, as a basis for evaluation; Provided, however, That animal areas containing free-living wild animals in their natural habitat need not be included in such inspection;

The last facility inspection was conducted on November 8, 2006. For the health and wellbeing of the animals, this must be conducted at least once every six months. To be corrected by December 22, 2006.

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE.

(a) Each research facility shall have an attending veterinarian who shall provide adequate veterinary care to its animals in compliance with this section:

(1) Each research facility shall employ an attending veterinarian under formal arrangements. In the case of a part-time attending veterinarian or consultant arrangements, the formal arrangements shall include a written program of veterinary care and regularly scheduled visits to the research facility;

The Program of Veterinary Care was not available for inspection today. This program must be completed by and discussed with the attending veterinarian. The attending veterinarian has not been to the facility since November 2005. The attending veterinarian should make regularly scheduled visits to the facility that occur no less than once per year. To be corrected by December 22, 2006.
