

## Defunding Cruel Dog Experiments

From [White Coat Waste Project](#)

August 2024

August 26, 2024

“More than any other group, it is White Coat Waste that has elevated the cause of stopping these horrific government experimentations on **dogs and puppies** into the mainstream political conversation.”  
— Glenn Greenwald, Pulitzer Prize Winner

Our mission is to expose and close the U.S. government’s dog testing business.

We’re proud to be the **most effective organization** for getting dogs out of labs. *No other animal protection group has closed a government dog lab in nearly 20 years!*

From Fauci’s beagle tests to the Dept. of Veterans Affairs, we’ve shut down more federal dog labs than every other group. Thanks to YOU, we’re ending the culture of losing.

Let’s finish the job. Tell Congress: [De-fund ALL Government Dog Testing!](#)

**WHITE COAT  
WASTE  
PROJECT**

# ***DOG DAYS ARE OVER!***

WCW continues to **lay waste** to dog labs across the federal government.

***GOODBYE***

**Taxpayer-funded treadmill tests!**  
U.S. Dept. of Veterans Affairs -  
Richmond

***NO MORE***

**Deadly lung experiments!**  
U.S. Dept. of Veterans Affairs -  
Cleveland

***SEE YA***

**Skull-drilling & crippling lab!**  
U.S. Dept. of Veterans Affairs -  
Milwaukee

***CANCELED***

**Meth "House of Horrors!"**  
U.S. Dept. of Veterans Affairs -  
Los Angeles

***PEACE OUT***

**Fauci's "Runny Nose" tests!**  
National Institutes of Health (NIH) -  
Bethesda

## **GOODBYE**

The Richmond lab injected latex into puppies' arteries and forced them to run on treadmills in heart exhaustion tests. No pain relief. No anesthesia.

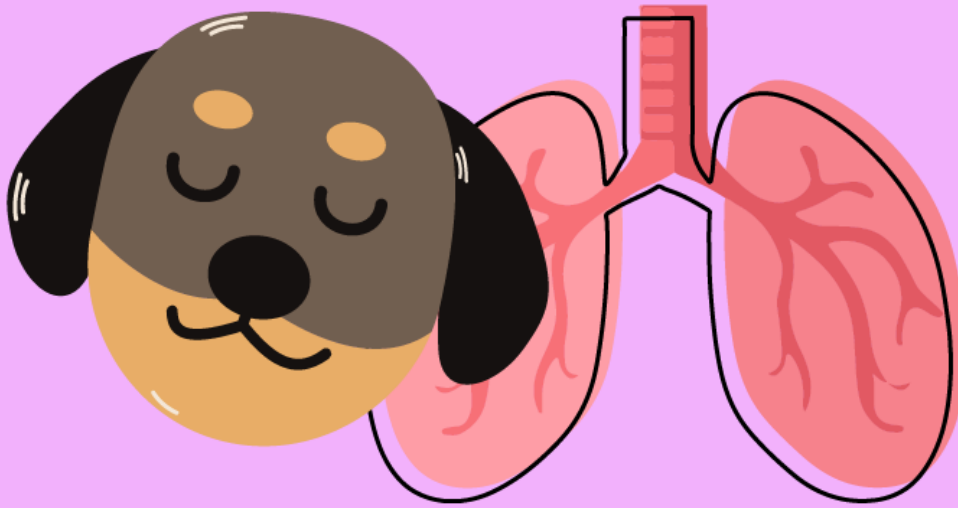

WCW used the Freedom of Information Act to expose the abuse and **SHUT DOWN** the tests!

***(YOUR TAX BILL WAS \$3.3M. NOW IT'S \$0!)***

## **NO MORE**

On your dime, the Cleveland VA severed puppies' spinal cords and rammed electrodes into dogs to stimulate coughing.

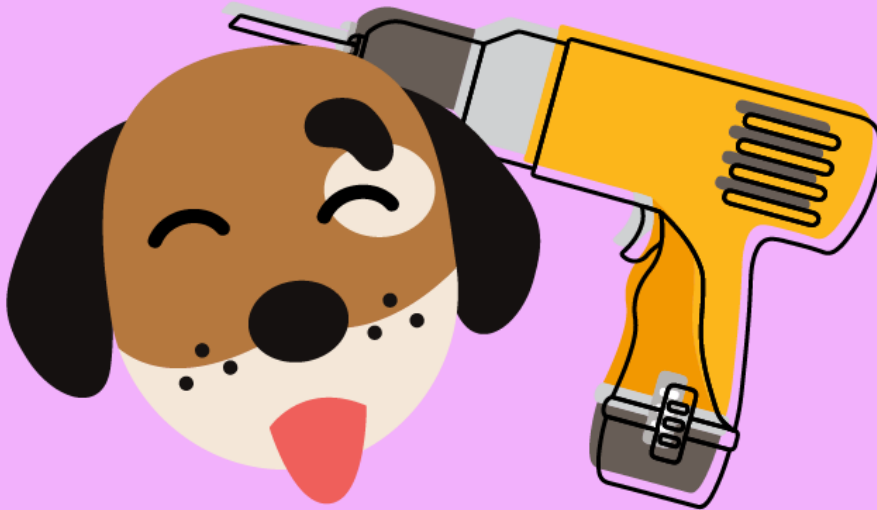

Through a savvy grassroots and lobbying campaign, WCW sued the VA for lying and **SHUT DOWN** the tests!

***(YOUR TAX BILL WAS \$454K. NOW IT'S \$0!)***

## SEE YA

At the Milwaukee VA, government white coats restrained puppies, dissected their necks, collapsed their lungs, and bore holes in their skulls with high-speed drills.

WCW united Ds and Rs in Congress to  
**SHUT DOWN** the lab!

***(YOUR TAX BILL WAS \$710K. NOW IT'S \$0!)***

## **CANCELED**

At the Los Angeles VA, pups were bred to suffer from narcolepsy, injected with meth, and their brains were cut out.

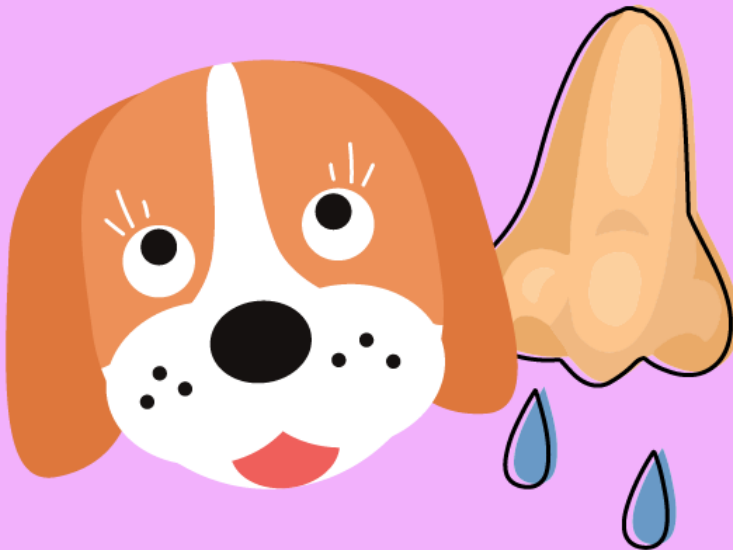

Dubbed a "House of Horrors" by whistleblowers and the media, WCW exposed it to Congress.

Then we **SHUT DOWN** their decades-long Doberman dungeon and retired the survivors!

***(YOUR TAX BILL WAS \$554K. NOW IT'S \$0!)***

## **PEACE OUT**

Fauci-funded white coats planned to force 6-month-old beagles to inhale ragweed for an experimental seasonal allergy drug.

But WCW exposed Fauci's #BeagleGate scandal and **SHUT DOWN** all five runny nose experiments!

***(YOUR TAX BILL WAS \$1.8M. NOW IT'S \$0!)***

**STOP THE *MONEY.***  
**STOP THE *MADNESS!***
